

BRING YOUR
event to life

Proud supporters of the Bucket List Banquet

The Cause

“Each year Hospice Waikato looks after an average of 900 patients who are living with a life-limiting illness and desperately need our care. The care we provide to these patients and their family is absolutely free.

The purpose of the Hospice Waikato and Montana Catering Bucket List Banquet is to help raise much needed funds to support this free service.

Client Feedback

By making use of the AV services provided by Vidcom, we have been able to tell a very real and compelling story of Hospice Waikato and a Hospice Waikato Volunteer. This enabled us to engage with our audience in a powerful way.

Vidcom’s services, which included the lighting, sound, projectors and screens, were delivered with at all times with professionalism which contributed to the smooth running and success of the evening. Vidcom also provided excellent AV support to our guest speaker Mark Inglis.”
