# About us

Vidcom New Zealand is a trusted Audio Visual provider that will work with you to bring your event to life. You will have access to a comprehensive range of integrated AV solutions and a wealth of experience for conferences, award dinners, exhibitions, or any other type of event.

With branches located in Auckland, Hamilton, and Wellington, we work nationwide to create amazing experiences for our customers and their audiences. Our team combines a strong customer focus, a passion for AV, and a unique blend of creativity and technical expertise.

Along with full setup and technical support, we can provide you with products including projectors, screens, lighting, sound and audio equipment, video recording, live streaming, design and editing services, and more.

Call us today on 0800 843 266 to discuss your next event.

# Conferences

Bringing people together to connect, learn and communicate requires an Audio Visual setup that performs seamlessly. This will ensure your attendees can focus on what really matters – your content and the overall experience.

# Dinner Events

Make your celebration, fundraiser, or entertainment event a prestigious occasion. Create the perfect environment that delights and engages your audience.

Working together with businesses and associations across New Zealand, we have helped shape a diverse range of events. When you're hosting a large awards event, small gala dinner or anything in-between, we can help you with all your Audio Visual requirements - from concept to implementation and execution.

# Exhibitions

Attract and maintain the attention of your potential customers across your valuable exhibition space. By working together we can create a customised AV solution to showcase your products and existing branding, therefore utilising your exhibition space to ensure you can present your key messages and attract interest.

# Product Launches

Captivate and 'wow' your audience with the right atmosphere for your product launch. We can help you create an effective Audio Visual environment to produce a memorable event. Working with you, we will ensure a stunning AV solution for this exciting milestone that will celebrate and display all your hard work - complementing your company and product while meeting your vision in an exciting and creative manner.

# In-house Solutions

In-house equipment at your venue is a great way to decrease labour and setup costs, increase reliability, and reduce wear-and-tear on equipment and infrastructure.

We provide short and long term Audio Visual rental solutions for a range of businesses across New Zealand. From small conference and entertainment venues, to large hotels and function centres; we can provide in-house equipment and event assistance to ensure an efficient, high-quality service.

## Key Benefits

- ▶ Access high quality AV equipment at affordable rates without the upfront costs
- ▶ Keep up to date with technology - our long-term options allow for scheduled upgrades of equipment
- ▶ Financial savings - monthly rental payments are normally tax deductible
- ▶ Improved budgeting - fixed monthly payments for the duration of the agreement
- ▶ We handle all on-going maintenance and technical support

## Venue Partnerships

Vidcom partner with a number of leading venues across New Zealand. We provide our partners with integrated, purpose specific AV equipment, on-site technicians to assist with all technical matters, and Account Managers to help develop their business.

## Key Benefits

- ▶ A tailored Audio Visual solution for your venue
- ▶ Access to Vidcom Account Management and Marketing services to help increase event business
- ▶ 24/7 technical support available
- ▶ Fixed rental costs that allow you to create and market packages to your customers

# Products and Services

Through continual investment in new technology and innovative solutions, we ensure we can meet your needs.

## Visual Equipment

- ▶ Projectors and projector screens
- ▶ Multi-Plasma Display Panels (video walls)
- ▶ LED and Plasma screens up to 103"
- ▶ Lighting, staging, and draping

## Audio Equipment

### Production Equipment

- ▶ Catalyst Media Server
- ▶ Video switchers
- ▶ Laptops

### Broadcasting & Recording

- ▶ Live Streaming
- ▶ Audio and visual recording
- ▶ Video and audio conferencing

### Pre-production and Post-production Services

- ▶ 3D event design
- ▶ Design services
- ▶ Video editing

# Customer Testimonials

“ The AV was integral to the smooth running of our event. Without seamless AV, an event can turn on its head and become an absolute nightmare! Vidcom were extremely accommodating and flexible where necessary and prepared to work in with DairyNZ to test various presentations in the lead-up to the Conference. Even best made plans sometimes change last minute, and Vidcom were able to adapt to these changes which was much appreciated! ”

**Andrea Clayton**

Event Coordinator

Corporate & Development, DairyNZ

“ I recently worked with Vidcom on a national webcast, and was very pleased with the experience. From the beginning, it was clear that the Vidcom team are top in the AV field, and their flexibility and high quality work were definitely a factor in the success and professionalism of our webcast ”

**Emma Lee**

Respiratory Product Manager

GSK

“ The event went very well and the AV was taken care of without any issues or hassle. Vidcom handled all of the AV responsibilities, which helped us out during the busy evening. It was great to have a technician on hand at all times and at the AV desk to ensure the sound, lighting and visuals ran smoothly. We wouldn't hesitate to use Vidcom for events in future. ”

**Brian King**

General Manager

Harcourts Hamilton Head Office
